

Christmas: Behind the Seen

"Serving Seen" - Luke 2: 36-38

Week 4

**Consider using these questions as table discussions with your family this week.*

1. Share a time when you eagerly awaited in anticipation for something. What was it like to wait and what was it like to finally receive it?

READ: Luke 2: 36-38

2. Widows didn't have an easy time in that day, but Anna continued to serve and pray daily in the temple. What does God's restoration look like in your life? How specifically do you need God to restore you today?
3. Anna, when first seeing The Christ Child, began to give thanks because of how He would rescue the world. Share how you have personally been rescued by Christ.
4. Anna was a servant of God, even through the hardship that life had dealt her. How specifically in your world can you serve God, even though life may deliver hardships and pain?
5. Immediately Anna began to share *"to all"* about this amazing Christ Child and how He would rescue and restore the world. How will you share with your world this year about what Christ has done in your life?
