"Christians Shouldn't Judge"

Week 7

1. Prior to hearing Pastor Jonathan's message, how would have you responded to the statement, "Christians Shouldn't Judge"? Would you have agreed or disagreed? Why?
2. Share a personal story of a time when someone had harshly judged you. How did that make you feel and did that affect the way you judge others?
3. Pastor Jonathan notes that tolerance no longer means the freedom to be wrong – it now means that everyone is right.
 - How has this modern redefinition impacted your life and outlook?
 - Why do you think so many people believe that sincerity is all it takes to make something true in the spiritual realm?
 - In what ways has that belief impacted your own thinking and values?
4. How then should we Judge? Look through these scripture verses and discuss your observations.
 - Matthew 7: 1-6
 - Ephesians 5: 11-13
 - 1 Corinthians 5: 9-13
5. Who in your life can you offer Christ's love and grace to this week? Take time to pray for them as a small group.
