Our Covenant of Commitment

As a family of faith in Jesus Christ, we commit to truly live out the heart of Jesus' command to *"love one another, even as I have loved you"* (John 13:34). This covenant of commitment to Christ and to each other flows out of our love for Jesus Christ and our love for each other. As a vital part of this community group, each couple and each person will commit to...

Share faith

- By sharing our journey with Christ with each other through study in the Word and in prayer.
- We will commit to the Word and prayer, knowing that the Spirit works through the written Word and prayer in community.
- We commit to showing up on group nights prepared to discuss the Word and how it applies to our lives individually and collectively.

Share life

- With each other by being transparent and vulnerable and moving out of our "relational comfort zone" to share things that are deep and personal.
- We will commit to being a family even with all of the dysfunctions that families can and will have.
- We commit to develop deep relationships of encouragement and gracious accountability
- We will not gossip or talk about someone with others when they are not there to defend themselves.

Share ministry

- We will encourage each other to give and serve in their area of divine design and spiritual giftedness.
- We will take care of each other, and we will serve each other generously with our time and with our resources.

Share the mission

- Of taking the love of Jesus Christ to the world around us.
- We will grow in our ability to share our faith with our family members, neighbors, and co-workers.
- We will purpose to adopt and regularly commit to a service project in the immediate area whereby we can meet real needs and be the hands, feet, and mouth of Jesus Christ.
